**Clergy Thought:** Today is Palm Sunday, the beginning of Holy Week. It celebrates the triumphant entry of Christ into the royal city of Jerusalem. This entry is highly symbolic. It demonstrates that Christ is the Davidic king that fulfilled this ancient prophecy. Humbly, the servant of God accepted all his sufferings in order to save us. He offered and lost his life in order to secure victory for us. The most important lesson from all these is that, the virtues of patience, humility and obedience are very important in life. Also, the readings teach us that suffering is inevitable in life. Therefore, only those who are ready to persist and endure to the end will triumph. It is important that we ask God for the grace to remain steadfast to him at all moments of our lives, because we encounter both Christ the suffering servant of God and, Christ the king of the world. **Fr Alex**
