Clergy Thought: Today, we celebrate the triumph of good over evil, of light over darkness, and peace over chaos. We celebrate hope, patience, and the fulfillment of God's Promise to his people. We also celebrate today what makes the Christian religion unique amongst other world religions. That is the resurrection of our Lord. Therefore, the core message of Easter is that today, we like Christ, have risen above all the obstacles that held us down in the grave. It is a message that, even though death and the grave were parts of God's salvation plan, they will not last for eternity (Ps. 30, 5). May the Divine Mercy of the Lord be our hope. Amen, Alleluia, Alleluia, Alleluia. **Fr Alex**
