The Season of Ordinary: It is the time in which we celebrate the life and teachings of Jesus Christ and what it means to be his disciple. Ordinary Time is divided into two parts. The first falls between Christmas and Lent. The second occurs between the seasons of Easter and Advent. Green is the colour used during Ordinary Time.

Please support the foodbank, soups, pasta sauce and tinned vegetables and fruits are urgently needed.

Clergy Thought Jesus began his public ministry calling his listeners to urgent action. He preached with a loud voice that the kingdom of God is at hand; repent and believe in the Gospel. The people of Nineveh did not fall to procrastination, but with a sense of urgency they turned from their old ways. We are so entangled in our routine lives and to the glittering things the world offers. The Gospel constantly speaks of Kairos, which is a Greek word for God's appointed time. Let us embrace the message of the Gospel here and now. Amen! **Fr Alex**
