Clergy Thought: On this sixth Sunday of Easter we celebrate our Lord whose love is universal. Love is the word that has the highest frequency in the language of humanity each day. Everybody speaks, expects and desires it. The deaf, the dumb, the invalid, all handicaps or physically challenged know of it and express it. Indeed, even animals cherish it and practice it. Everybody expects it from the other; yet it is the most abused and wrongly exercised. Jesus was a victim of love, yet he is the fullness of love, and freely communicates his love to all who accepts him; through the power of the Holy Spirit. May we love as Christ loves us. Amen! **Fr Alex**
